RE: MONUMENT IN SECOND ROW (hereinafter "Monument")

The Catholic Cemeteries Association of the Diocese of Cleveland (hereinafter "CCA") has an established policy prohibiting raised monuments in the first two rows of any section in any CCA cemetery. This policy was established in order to minimize the potential for damage to raised monuments due to snow removal, section maintenance, interments and any other causes including work performed in the normal course of cemetery operations. The undersigned hereby acknowledges that raised monuments placed in the second row have a higher probability of damage and that the CCA recommends against the placement of such a memorial in either the first or second row. The undersigned acknowledges that the raised monument will be subjected to natural and man made forces that could damage or destroy the granite.

The undersigned acknowledges that the raised monument is being placed in a location not recommended by the CCA, and the CCA has prohibited such placement due to the probability of damage. The undersigned acknowledges that in consideration of the CCA allowing the placement of this raised marker contrary to established policy, the CCA accepts no responsibility for any damage to the raised monument regardless of cause.

The undersigned Owner of the Right of Interment or duly authorized individual having authority over the Right of Interment of Lot# \_\_\_\_\_ Grave# \_\_\_\_\_ in Section# \_\_\_\_\_, at \_\_\_\_\_ Cemetery, in consideration of the grant of permission from the CCA for the placement of the raised memorial on the above stated place of interment, on behalf of myself, my heirs, assigns and on behalf of the owner(s) of the Right of Interment and their heirs and assigns, do hereby DISCHARGE, RELEASE AND HOLD HARMLESS the Catholic Cemeteries Association of the Diocese of Cleveland and their respective successors and assigns, from all claims, demands, costs, expenses, damages, actions and causes of action arising from or in any manner related to the damage or destruction of the raised monument placed on the above stated place of interment.

IN WITNESS WHEREOF, I have hereunto set my hand on this the \_\_\_\_\_ day of \_\_\_\_\_,
