**HOLY CROSS CEMETERY**

**CATHOLIC CEMETERIES ASSOCIATION**

*Faith, Hope, and Remembrance*

The Catholic Cemeteries Association meets the needs of families, individuals, and parishes surrounding the death of a loved one.

In providing a consecrated place for burial, we treat the deceased and their families with dignity and respect, while offering a spiritual and physical environment that encourages frequent visitation - where faith is strengthened, hope is awakened, and remembrance is accomplished through perpetual care.

We represent a Church family that is unbroken by death. We celebrate the death, and resurrection of our Lord, which offer to us the promise of eternal life.

# From the Director

## Welcome to the Catholic Cemeteries

Thank you for choosing the CCA. We are truly honored to care for you and your family during your time of need. Whether you're coping with a recent loss or planning for the future – **we are here for you.**

The CCA manages and maintains 19 cemeteries across the Diocese of Cleveland. Our properties include over 1,900 acres of land, 35 miles of roads, and 60 buildings. We work very hard to maintain our cemeteries, and are constantly improving our grounds by paving roads, planting trees, opening new burial areas, upgrading facilities, and adding streams and ponds. We are **self-sustaining** and the income generated from all CCA products is invested back into your Catholic cemeteries. This income ensures that each of these improvements can be made.

We make all of our decisions with you, our families, in mind and strive to make our cemeteries places of peaceful, sacred, and prayerful remembrance. The Catholic Cemeteries Association understands the responsibility placed on us to care for families and their dearly departed loved ones. While nothing can take away the pain of losing someone you love, we hope to provide families with the support and guidance they need during life's most difficult times.

We look forward to serving your family and our Catholic community for years to come.

God Bless,

# The Catholic Burial Tradition

## Why a Catholic Cemetery?

Many people wonder what makes a Catholic cemetery different from any other cemetery. In short, Catholic cemetery grounds are consecrated, and therefore treated as an extension of the church. Choosing to be buried in a Catholic cemetery ensures that you will be surrounded by the Catholic faith and members of the Church, even in death.

Just like the other sacraments we receive throughout our life, such as baptism, first communion, and marriage, God is calling to be present with us at the completion of our life's journey. John 11:25-26 assures us that death is not our final destination, but rather a transition to an even greater closeness to God.

## Catholic Burial Rites

Practicing Catholic Burial Rites sets us on the path to healing, wholeness, and peace.

### *Vigil (Wake)*

Family and friends join the bereaved in prayer, to share stories and remembrance of the deceased, provide comfort, and to express their own sorrow and grief.

### *Funeral Liturgy (Mass)*

Hoping to lead our loved ones to paradise with the aid of our prayers, the Mass is a time to express our love for the deceased in the presence of God.

### *Right of Committal (Burial)*

As the final ceremony in a Catholic funeral, burial allows the deceased to pass from the community of mourners into the community of those who are already with God.

# The Church & Cremation

**The Catholic Church has permitted cremation since 1963.**

**Burial in a Catholic Cemetery provides...**

- ✝ A permanent burial site for cremated remains; a place for eternity.
- ✝ A peaceful and sacred place for family, friends, and future generations to pray and reflect.
- ✝ An open space where all are welcome to visit loved ones on a holiday, birthday, anniversary, or other special day.
- ✝ A secure location to keep our loved ones. Over time, families may lose track of cremated remains while moving, due to a change in family relationships, or when passing on to future generations.

# Outer Burial Containers

Our pressure tested outer burial containers protect the casket or urn from the weight of the earth, and preserve the appearance and safety of the gravesite. Each outer burial container has unique qualities and features. Unsealed outer burial containers are available for both cremation and full body burial. Please ask your Family Service Representative for more details.
