### SECTION NOTES

1. **Lot Numbers** are placed on each lot and coincide with the lot as you face the lot and are oriented in the same direction for all points.

2. The location of grave markers are shown along with those in any adjacent section, and grave markers will face.

3. All lots are 3-feet wide lots.

4. **MONUMENT NOTES**
   - Monument lots are located on the map as shown on Section Map.
   - All Monument lots are shown as an asterisk in the grid section.
   - Consecution will be established as requested.
   - Note of monuments on the Map and associated Monument Lots can vary depending on number of spaces associated with Monument Lot.
   - All notes are located 1 octave.
